An Evening You Won't Want to Miss!

Join us for a delightful 4-course Western dinner alongside your colleagues and friends. We've arranged great music and the chance to dance, ensuring a memorable evening for all. This exclusive dinner will be hosted in the historic CHIJMES building.

Prepare to be enchanted as you step into the breathtaking CHIJMES Hall. This beautifully restored 19th-century chapel, boasting early Gothic architecture, is filled with intricate designs and details that will leave you in awe. With its soaring ceilings and stunning stained glass windows, every corner of the hall exudes charm. Adorned with motifs of flowers and birds, the columns and corridors add to its timeless appeal. Recognized as a National Monument in 1990, CHIJMES Hall stands as a truly magnificent venue in the heart of the city, perfect for creating cherished memories that will last a lifetime.
