IUGA 51st Annual Meeting 2026, Rio de Janeiro, Brazil – June 10-13, 2026

Invitation to Corporate Sponsors and Exhibitors

Introduction

On behalf of the entire Board of the International Urogynecological Association (IUGA), it is my pleasure to cordially invite you to become a part of the IUGA 51st Annual Meeting that will take place at the Windsor Convention & Expo Center in Barra da Tijuca, Rio de Janeiro, Brazil, from June 10-13, 2026. We are delighted to offer you the opportunity to showcase your company at the premier global event in urogynecology and female pelvic medicine and health and the biggest such event in Latin America.

The International Urogynecological Association (IUGA) was founded in 1976 and, ever since, has been committed to advance education and research, to provide guidance, and to increase awareness related to pelvic floor dysfunction. Since our humble beginnings more than five decades ago, IUGA has grown our loyal member base to more than 3,300 members (March 2025) of which the vast majority (80%) are urogynecologists, but our multi-disciplinary membership also includes urologists, gynecologists, nurses, physiotherapists, and allied health professionals.

IUGA has organized annual scientific meetings in nearly every corner of the world to promote the exchange of urogynecological knowledge among thousands of physicians, nurses, physiotherapists, and other allied health professionals. During IUGA Annual Meetings, the most prominent international leaders working in the field of female pelvic floor medicine share knowledge, exchange information about the state of the profession and best practices, and connect and network with other members from around the world.

IUGA Annual Meetings are regularly attended by between 1,000-2,000 delegates. During our most recent Annual Meeting in Barcelona, which was held jointly with the European Urogynaecological Association (EUGA), we had a record-breaking meeting with more than 2,000 attendees representing more than 50 countries, 30 sponsors, and a program featuring more than 50 of the world's top experts in our field. In 2024, our meeting in Singapore attracted more than 1,000 attendees. At the 2023 Annual Meeting in The Hague, The Netherlands we welcomed more than 1,600 attendees. In 2022, as Covid was loosening its grip on

the world, 1,648 healthcare professionals participated in joint Annual Meeting that we held in partnership with the American Urogynecological Society (AUGS).

Besides the Annual Meetings, IUGA conducts a variety of educational programs around the world (both live and virtual) which include regional symposia, masterclasses, and fundamentals courses. IUGA owns the flagship journal in the field of urogynecology the *International Urogynecology Journal (IJU)*, recognized as such by both authors and readers and the preferred journal not only for IUGA members but also for all urogynecologists, gynecologists, urologists, physiotherapists, nurses, and basic scientists publishing in this field. The *IJU* is proud to be the key international and only truly global publication within the field of pelvic floor dysfunction. The *IJU* focuses on sharing new ideas and research, reviewing and improving clinical practice in the diagnosis and treatment of women with disorders of the pelvic floor, and covering all aspects of the field in an interdisciplinary fashion.

IUGA has a strong focus on education, even beyond the Annual Meeting, operating the IUGA Academy, which is IUGA's E-Learning platform. It serves as a one-stop shop for all E-Learning needs and is a member benefit available to all IUGA members. With a variety of exclusive content, including online courses and exclusively developed web-based presentations, it also hosts content from recent IUGA Annual Meetings and webinars, and provides access to all IUGA's surgical videos, podcasts and much more. Over the last year, we have also fully integrated the International Academy for Pelvic Surgery (IAPS), which contains more than 500 surgical videos, into IUGA's portfolio of online educational offerings.

We also support continued education in this field in locations where urogynecology is not a recognized sub-specialty by providing the opportunity for experienced practitioners to get recognized through the InSpIRE (International Specialist and IUGA Recognized Expert in Pelvic Floor Dysfunction) Program, launched in 2024 and awarded for the first time in 2025.

IUGA 51st Annual Meeting 2026, Rio de Janeiro, Brazil – June 10-13, 2026

Invitation to Corporate Sponsors and Exhibitors

As the leading organization in this field, IUGA develops consensus terminology (often together with AUGS, ICS, and other related organizations) and runs the International Urogynecological Consultation (IUC), which currently is focused exclusively on Pelvic Organ Prolapse. IUGA also has a strong focus on patient outreach through its IUGA Patient Advisory Council (IUGAPAC) which supports the further development and review of all our patient information which is published on our dedicated patient education and information website <https://www.yourpelvicfloor.org>. The IUGAPAC also assists in reviewing all pertinent IUGA materials from a patient perspective.

Finally, IUGA also has its own foundation, the Foundation for International Urogynecological Assistance (FIUGA). FIUGA has been specifically established to support urogynecological education and healthcare services in underserved areas and developing countries, with the aim to improve the care of women suffering from pelvic floor disorders worldwide by promoting research, education, and public awareness in urogynecology.

Whether your goal is to **enhance your company's image** as a leader, **distinguish your product** from competitors, **launch a new product**, or **connect with new clients**, the IUGA 51st Annual Meeting offers you the opportunity to create a **customized presence** by selecting what is best to meet your objectives.

Please find all details and learn even more about IUGA on our website www.iuga.org. Don't hesitate to contact our staff if you want any further information on any of our activities, programs or publications.

I look forward to welcoming you to IUGA 51st Annual Meeting in Rio de Janeiro in 2026!

With Best Regards,

Dr. Anna Rosamilia

Educational Workshop - USD 12,500

On Wednesday morning, IUGA traditionally organizes workshops, which will be conducted in two sessions on the morning and afternoon of Wednesday, June 10, 2026. We will open our call for workshops towards the end of 2025.

As a sponsor, you can either apply to organize a pre-meeting workshop yourself (sponsored non-CME workshop) or you can support/sponsor an existing pre-meeting workshop. In both cases, it allows your company to gain additional exposure outside of the exhibit hall and prior to the start of the meeting. The maximum duration of a workshop is 4 hours; alternative 2-hour time slots are also available.

Applications for sponsored workshops should be in by January 15, 2026 for them to be included on the registration form. Note that all workshop attendees will have to pay a workshop fee for attending a workshop. Please also note that workshops that are added following the opening of registration receive less attendees. The sooner a workshop is announced, the more attendees are likely to attend.

Fellows' Program - USD 11,500 (non-exclusive) / USD 27,500 (exclusive)

At every IUGA meeting, the IUGA Fellows, Trainees and Early Career Professionals Committee, in close coordination with the Program Committee, develops a dedicated Fellows' Program consisting of a series of high-quality educational sessions for fellow attendees and others who are in the midst of their training. These sessions have been very popular with the target group and this program is normally attended by up to 200 international fellows.

The program features keynote speakers, a hands-on workshop/surgery session, a video session, and the fellows' paper session. This session also includes a dedicated Fellows' lunch.

The supporting company will receive the following benefits:

- A dedicated table-top display immediately outside the Fellows' Session room
- 2 representatives of the company invited to attend the Fellows' Sessions
- Acknowledgement as a Fellows Program Sponsor on the meeting website
- Acknowledgement as a Fellows Program Sponsor in the exhibit guide
- Acknowledgement as a Fellows Program Sponsor in the mobile app
- Acknowledgement as a Fellows Program Sponsor in the by the chair of the session
- Only if an exclusive Fellows' Program sponsor: recognition during lunch time as a supporter and the option to organize a dedicated Fellows Activity (at company's expense, program/time to be discussed)

Hospitality Rooms – USD 10,000 (1 day) / USD 15,000 (2 days) / USD 20,000 (full event)

Sponsors will have access to a dedicated hospitality suite which may be used for private meetings and product presentations. The room will be visible for participants on the floor plan in the mobile app. The room will be furnished with a boardroom style layout. It serves as an extension of the company's exhibit presence and can be booked for 1 or 2 days (Thursdays and/or Fridays only) or for the full event (Wednesday to Saturday). Maximum capacity: 25. Any F&B or AV orders are at the sponsor's own expense and must be arranged through the IUGA Office who will liaise you with the event venue for ordering and finale invoice/bill settlement.

1. Sponsor Splash Screen – USD 7,500 (non-exclusive) / USD 12,500 (exclusive)

Make a lasting first impression with a splash screen. There is incredible value to be gained by being visible to every attendee when they open the IUGA 51st Annual Meeting app. This PRIME spot allows you to move away from the often-missed printed flyers and posters and gives you a “can’t miss it” advertising solution.

BENEFITS of a Splash Page

- ✓ Full-Screen ad
- ✓ Ad displays IMMEDIATELY when app is opened
- ✓ Automatically sized to fit iPhone, iPad and Android devices

2. Banners – USD 3,500 (non-exclusive)

A dynamic way to reach attendees. Banner ads are **front and center** on the app and help drive booth and website traffic and increase brand visibility. Attendees can easily connect with you by tapping through to websites or destinations within the app. This includes listings that house valuable content like contact info, documents, and more. Also, consider the benefits of a banner ad that targets specific attendees by leveraging group-based content.

BENEFITS of a Banner

- ✓ Banners are placed on the main screen for ultimate visibility
- ✓ Real-time reports provide impressions and click-through rates

3. Sponsored Listing – USD 2,500 (non-exclusive)

Standard listing is offered to exhibitors. If you really want to stand out and make your brand more visible, sponsored listings are the easiest way to get into the spotlight.

BENEFITS of Sponsored Listings

- ✓ Additional exposure for your brand through listings
- ✓ Expanded profiles including photos, brochures, and other marketing materials

4. Push Notifications – USD 1,500 each (\$1 per delegate!)

Push notifications will instantly help you reach attendees with important information, alerts, updates and more. It's an ideal way for you to connect with more customers. Our native mobile event app will allow us to create custom messages and send them to all our attendees anytime and anywhere. Push notifications appear on the screen of our attendee's device even if the meeting app is closed, much like a text message. This will ensure that alerts and updates are always seen. With push notifications, you can encourage attendees to visit your booth or view your company listing to learn more about your products and services.

BENEFITS of Push Notifications

- ✓ Alerts pop-up instantaneously on each attendee's device
- ✓ All attendees receive notifications when they have the meeting app
- ✓ Use this avenue to connect with attendees before, during and after the meeting
- ✓ Target specific groups of attendees with segmented push notifications
